It's Been a Great 29 Years

Our 29th school year has come to a close. It is amazing what has happened in those 29 years. Our school began with students whose ages were 2 ½ through kindergarten. Now, students 18 months through elementary are able to attend OFMS. **Wow how we've grown! Thank you for 29 wonderful years!**

Summer is Here!

The Oak Forest Montessori School pre-school students will be learning about the farm this summer!

The elementary students will be learning and working in all areas of fine arts this summer. Please watch for art exhibits, special plays, and many other exciting things from our elementary group.

The Summer session begins June 7th and ends on August 13th.

Chick-fil-A

Order out lunches from Chick-fil-A will resume on June 16. Order forms are due no later than June 14th.

Fall Enrollment

Enrollment is going extremely well. Many classes are closed. Thank you for your support and encouragement. The 2nd 2010-2011 supply fee is due September 1st. Those fees will be due in February and September from now on.

Swim Classes

Swim classes begin on Monday June 7th. If you are interested in your child attending the 2nd session that begins June 21st, please contact the office ASAP. Swimming with friends is so much fun. They must be 4 years old to attend.

Summer Clothing Information

- Don't forget, students are allowed to wear their **OFMS T-shirts every day in the summer.**
- Elementary students must wear an OFMS shirt or T-shirt on field trips.
- Please make sure that your child has a change of clothing in the bin appropriate for the summer. This is to include socks and shoes. All things should be labeled.
