

# In a Nutshell

Newsletter # 365

October 31, 2011

## Information Corner

- **Scholastic book orders are due by Monday, November 7, 2011.**

(If you made an October order that you have not received, the rest of the orders should be here any day.)

- **Please remember,** as it gets cold, we will continue to go outside. Please be sure to send your child with a coat, labeled with their name. It is also time to change bin clothes from shorts to winter clothing (long pants, long sleeve shirt, underwear, socks and for younger students, an extra pair of old shoes.) Again, remember to label all clothing. Every child needs an extra change of clothing.
- **Bathroom Independence.** Please send your child in clothes that he/she can maneuver on their own. Please remember things that snap in the crotch, things with buttons, zippers, overalls, and belts are all very hard for children to maneuver on their own, and should not be worn if the child is young and unable to do them on their own. **Belts are not necessary.**
- **If your child forgets lunch** please bring it to school for your child by 11:30 in buildings # 1 and # 2, and by 10:45 in building # 3.
- **Screen printed T-shirts may only be worn on Mondays.**

## Dates to Remember

*Please mark your calendar*

<b>November 23-25</b>	Thanksgiving Holidays <b>(SCHOOL CLOSED)</b>
<b>December 16</b>	Class Parties
<b>December 19-30</b>	Winter Break <b>(SCHOOL CLOSED)</b>
<b>January 2</b>	<b>Staff Development</b> <b>(SCHOOL CLOSED)</b>
<b>January 3</b>	School Begins

## Fundraiser

Please be watching for your fall fundraiser packet. The parents association will be holding a fundraiser to raise money for 2 new elementary computers, as well as classroom materials for the other classrooms. The packet will go home in a few days. Please stay tuned for more information!

## School Shoes

For the safety of all of our students we need your help! Students are wearing many different types of shoes to school. We have found that some of them are not safe for tile floors and playground equipment. To ensure that all children are safe, they must wear tennis shoes. These should be snug fitting so that they stay on when running and playing. They need to be free of distractions too. This includes, but is not limited to, characters, lights, sequins, beads and charms.
